

Resume of Applicant #201580

PROFESSIONAL SUMMARY

U.S. Army Veteran and versatile Maintenance & Technical Professional with experience in HVAC systems, electrical troubleshooting, facility operations, logistics, and team leadership. Proven ability to diagnose mechanical and electrical systems, perform preventive maintenance, and maintain operational reliability in commercial and industrial environments. Adaptable, safety-focused, and committed to continuous growth. Seeking opportunities in facilities maintenance, building operations, technical support, or system-based roles with long-term stability and advancement potential.

CORE COMPETENCIES

- HVAC Installation, Maintenance & Troubleshooting
- Electrical Diagnostics & Mechanical Repair
- Preventive & Corrective Maintenance
- Commercial & Industrial Facility Operations
- Blueprint & Technical Schematic Interpretation
- Refrigeration Systems (EPA Universal Certified)
- OSHA 30 Safety Compliance
- Inventory & Work Order Management
- Military Leadership & Team Supervision
- Microsoft Office (Word, Excel)

PROFESSIONAL EXPERIENCE

April 2025- Present Americold Logistics LLC

Facility Maintenance Technician II

- Perform preventive and corrective maintenance on HVAC systems, electrical components, roofing, and facility equipment.
- Diagnose system issues using testing instruments to ensure operational uptime and safety compliance.
- Maintain fire suppression systems, safety inspections, and building compliance standards.
- Document maintenance activities and manage work orders for operational reporting.

February 2024-November 2024 Home Depot

Garden Associate

- Helped customers find gardening tools, soils, patio furniture, and plants.
- Assisted with answering customers questions about plant and landscaping care.
- Ensured live nursery plants, trees, and flowers were watered, pruned and displayed properly.
- Moved and stacked heavy items such as mulch, soil, pavers, and fertilizers.
- Broke down pallets and ensured shelves were fully stocked.
- Helped customers load vehicles with heavy items.

February 2023-July 2023 GardaWorld Security

Lead Teller

- Verified, counted and sorted bulk cash, checks and coins.
- Reconciled out-of-balance conditions and prepared change orders for clients.
- Audited incoming deposits for tampering, maintained strict manifest logs and enforced company safety policies and regulatory guidelines.
- Assisted management with productivity reporting, shift scheduling, inventory maintenance and data retention.
- Guided junior tellers and provided training.

August 2021-August 2022 Roy O'Martin's Plywood
Production

- Ran various production lines that processed raw timber into commercial plywood panels, timbers and boards.
- Monitored production process to make sure wood products met quality guidelines.
- Troubleshoot machinery.

November 2020-January 2021 FedEx Ground
Driver

- Reported to local terminal, inspected delivery vehicle and organized packages in the truck to optimize the delivery sequence.
- Navigated local neighborhoods or business districts using GPS, dropped off packages at doors or loading docks and scanned barcodes with a handheld device to track progress.
- Loaded and unloaded trucks.

May 2012- October 2020 U.S. Army
Wheeled Vehicle Mechanic

- Supervised maintenance and repair of 400+ vehicles and support equipment.
- Diagnosed electrical, mechanical and hydraulic system failures in high-pressure environments.
- Led preventive maintenance programs to maximize readiness and reduce downtime.
- Managed tools, parts inventory and compliance with safety standards.

EDUCATION & TRAINING

- HVAC Training – Universal Technical Institute (2024–2025)
- HVAC Training – Lincoln Technical Institute (2023–2024)
- Electrical & Electronics System Technology – Lincoln Technical Institute (2022–2023)
- Business Administration Coursework – Saint Vincent & The Grenadines Community College

CERTIFICATIONS

- EPA Universal Certification
- OSHA 30
- R-410A Certification
- Low GWP Refrigerant Safety (A2L)
- Hydrocarbon Refrigerants Certification
- Hazardous Materials Transportation Certification
