CONNECTIONS PERSONNEL

Applicant#202044

SUMMARY

Supply chain planning professional with 5+ years generating and enhancing reports, maintaining ERP data, and driving digitization across manufacturing, healthcare, and industrial environments. Hands-on with Oracle, SAP, Power BI, Tableau, PowerQuery, and advanced Excel/macros, with a track record of improving data integrity, accuracy, and stakeholder-facing reporting.

RELEVANT EXPERIENCE

Hain Celestial Group, Hoboken, NJ **Oct 2024 - Present**

Sr. Inventory Planner

- Build Excel macros and Python scripts integrating Oracle, IBM, and Adage to streamline supply chain reporting.
- Maintain 99.997% inventory accuracy across $42M in inventory through SOX-driven data integrity controls.
- Own month-end close data validation and SOX documentation to support reliable business decision-making.

Republic Purchasing LLC, New Providence, NJ **April 2024 - Present**

Lead Buyer, Full Time

- Coordinate overseas logistics acquisition data, reducing project costs by $168,000 through process improvements.
- Manage full-cycle sourcing and screening workflows, delivering 5 successful placements within 6 months.

NYU Langone Health, Manhattan, NY **Jun 2024 - Oct 2024**

Medical and Surgical Buyer, Contract

- Generated reporting across $69M in spend to flag back orders and prevent disruption to patient care.
- Authored user guides for internal and third-party procurement tools, improving stakeholder adoption.

Rutgers Makerspace, Piscataway, NJ **Mar 2022 - Dec 2023**

Procurement Manager, Part Time

- Implemented an Excel-based PO management system to streamline inventory tracking and forecasting.
- Trained and managed student staff, raising scorecard completion rate to 95% through process standardization.

PBF Energy, Parsippany-Troy Hills, NJ **Nov 2023 - Dec 2023**

Accounting Specialist, Contract

- Automated Excel reporting with pivot tables, macros, and named ranges to improve reporting efficiency.
- Developed Python scripts that cut analysis time 75%, reducing manual reporting work by 230 hours.

L'Occitane en Provence, Dayton, NJ **May 2023 - Aug 2023**

Supply Chain Analyst, Internship

- Created trade-compliant cross-border shipping manifests and invoices worth $1M+ in SAP HANA.
- Resolved delivery claim discrepancies with carriers, recovering 80%+ of late or non-delivered packages.

EDUCATION

Rutgers University, Business School, New Brunswick, NJ **Jan 2024**

Bachelor of Science, Supply Chain Management — GPA: 3.3

- Highest scoring Rutgers student, 2023 Microsoft Excel Collegiate Challenge.
